

Donations for the Rosa Valdez and Cuscaden Centers

Programs of Cornerstone Family Ministries

The Rosa Valdez and Cuscaden Centers serve over 135 children, ages birth – 5 years old. These centers provide the children with a high-quality pre-kindergarten education, as well as educational screenings and therapeutic services. Donations from churches, families, individuals and other groups allow the centers to continue and expand their outreach and build strong academic foundations.

Monetary donations are always welcomed and appreciated!
